Community Alert

On June 15, at around 7:30am a neighbor noticed a white, young man urinating on a fence on Aruba Lane. A few minutes later, she approached the man, who told her he was looking for a friend on Norfolk. The man later drove away. The neighbor called the Police Dept. They sent an officer who patrolled Plum Island but found nothing out of the ordinary.

The two photos below show the suspect walking away and later, driving away.

The Police Department recommends that, if we see any suspicious activity, we should immediately 650-286-3300. At night, this number will transfer the call to the dispatcher on duty.

Next Plum Island Social to be Rescheduled

The Plum Island Summer Social may need to be rescheduled due to date conflicts. The Social Committee is currently working on finding new possible dates. Volunteers are greatly needed. If you'd like to help, please email Kyn Dellinger at bonanzalady@gmail.com.

Don't miss Richard's exhibit at the San Mateo City Hall Gallery from May 2-June 30, 2018 and at the San Mateo Main Library July 2-August 31, 2018.

Lagoon Boat

Whenever you see this boat in the lagoon, it means that the City of Foster City is adding the blue chemical to the water to discourage the growth of algae in our lagoon. They do this about once a month.
